## CURSILLO WEEKENDS ARE POWERFUL!!

We live in difficult times. Values have changed in radical ways.

Many Catholics find that making a Cursillo Weekend provides a sound strategy for life-long, vibrant growth in their relationships with God and others.

On a Cursillo you will be guided by a priest, deacon and trained laity, in a prayerful and sacramental environment, to evaluate yourself, your relationship with God to discern how God is calling you to influence your family, your work environment, your neighborhood and the world.

THE NEXT CURSILLO WEEKENDS will take place in Camdenton, MO — Men's April 25 - 28, 2024 -  
Women's May 2 - 5, 2024

## PRAY FOR THE SICK

Father of Love, hear our prayer for the sick members of our community and for all who are in need. Amid their suffering may they find consolation in your healing presence. Show your mercy as You cure illness and make broken bodies whole. We ask this through the Lord Jesus who healed those who believe. Amen.

### **GROW AS A DISCIPLE | PRAY, STUDY, ENGAGE, SERVE**

Several years ago I went to a shopping mall with my six-year-old son, and I could tell he was overwhelmed by the fast-moving crowds; he stuck close to my side. Not long into our trip, he turned a corner and, suddenly, his face lit up. He pointed at a young boy ahead. "That's James! I know him! He's in my class!" he exclaimed, and ran up to talk to him. Out of the sea of strangers was someone he *knew*, and who knew him. That changed the whole experience for him. Today's readings are all about that kind of knowing. In the Gospel Jesus tells us that, like a good shepherd, he knows his flock and they know him. How comforting it is to know that Jesus not only knows each one of us, but he willingly chose to lay down his life for each one of us as the ultimate sacrifice of love. But how do we get to know our Good Shepherd better? By immersing ourselves in Scripture and prayer and seeking a personal relationship with him. If we stay close to the Lord, we'll know his voice when we hear it - in the quiet of our prayer, in the everyday promptings of the Spirit in our decision-making, and even, in the midst of all the noise, as the calming and guiding voice leading us along the right path.

**PRAY** Spending time in prayer and reading the Scriptures are essential in order to get to know the voice of Jesus. Read the Gospels this week, even a chapter a day, and contemplate what passages stand out for you. Pray about it at Mass. The Scriptures and the sacraments are how Jesus speaks to us, like a good shepherd speaks to his flock so the sheep will know his voice and follow it.

### **GO EVANGELIZE**

**PRAYER, INVITATION, WITNESS, ACCOMPANIMENT**

Being known is one of the most fundamental human and spiritual needs. When my son recognized his friend, he also instinctively recognized - without being able to articulate it - this need, in the midst of the anonymity of the mall. And his reaction was so pure: "I know him, and he knows me!" But he didn't leave it at that; he went to engage with his friend. He *encountered* his friend. This is what Christ desires for, and with us - not just to know us, to simply recognize us from afar, but for us to want to encounter him! We are meant to be in community; Jesus is always here for us: in the Church, in the sacraments, in Scriptures and in our hearts.

**DECLINE TO SIGN**

Don't sign your rights and freedom away by signing an abortion initiative petition that would alter Missouri's Constitution!

Don't let lobbying groups and out-of-state special interests inject abortion politics where it doesn't belong and where it isn't wanted.

*This petition goes too far for Missouri!*

**This extreme initiative petition could:**

- Legalize abortion as a method of birth control and abortion after a baby can survive outside the womb.
- Allow unlicensed abortion clinics in your neighborhood - even near schools and churches.
- Give power to judges and the government to force Missouri taxpayers to fund abortions.
- Permit governmental intrusion in health care decisions made by parents with their children.

**Don't be fooled!** Signature collectors might tell you that it's for "women's health" or "reproductive rights" or "to restore Roe" - or that it's "pro-life" or "pro-choice" - or say *anything* to get you to sign. **Don't believe them!**

**DECLINE TO SIGN** any petition that lets lobbying groups and the government take away your rights and freedom! Tell family, friends, neighbors, coworkers and everybody to **DECLINE TO SIGN**.

*The future of Missouri is counting on you!*

**LETTERS FROM CANDIDATES FOR SCHOOL ADVISORY COUNCIL**  
The election will take place at all three Masses NEXT weekend - April 27th & 28th!

Hello! My name is Julia Kimmons. I live in Moberly and work as a Pre Op nurse at MRMC and Surgery Center at the Forum. My husband's name is Jason and we are the proud parents of Brody and Asher Kimmons. Brody is a 2nd grader and Asher is in Kindergarten and they both attend St. Pius X school.

Becoming a parent has, without a doubt, been the most rewarding and challenging job there is, and also the biggest blessing. As a parent, I don't make any decision lightly when it comes to my children. When it came to deciding on where to send our children to school, we weren't sure. Jason and I both went to public school and had no experience with St. Pius X school. We talked to many parents whose children go there and it became very clear that this was where we wanted our children to go.

We wanted them to be at a place that would feel like home. This is exactly what we have felt since our kids started going to school here. The teachers and staff are all welcoming, and they treat your children like their own. The teaching is second to none, and I have been nothing short of impressed by what I've witnessed, just with my own children in their educational journey at St. Pius X. It's not just with the school work, it's all of it!

They expand upon and help to grow our children in their faith and keep it such an integral and important aspect of their educational and spiritual growth. They create an environment that works alongside the parents, to allow the kids to grow as people, learning how to be good, kind and respectful. I never worry when my kids are in school because I know they are in the best, safest place with people who love and care about them.

The love I have for this school is why I would love to be involved and give back. Being a member of the Advisory Council would allow me to be involved on a deeper level and I would appreciate the opportunity to give back to the school that has already done so much for my children. I do genuinely care about this school, the staff and the students and would love to be involved in making a positive impact.

I appreciate this opportunity, and feel that you can't go wrong with any of the candidates. I know the other parents running and find them to be amazing people who would do an excellent job.

Hi! My name is Natasha Liebhart and I have lived in Moberly for the past 13 years. I am a Registered Dental Hygienist for Smile Dental, married to Dr. Carl Liebhart, and have 2 boys named CJ and Thomas that attend St Pius X School and Early Childhood Center. I recently joined St Pius X church. I initially went through RCIA in 1994 but have been attending St Pius X current RCIA classes to renew and strengthen my faith. There are so many reasons why I love St. Pius X- a community that is welcoming, supportive, and treats you like family but mostly it has brought a closer bonding experience with my son CJ. We talk, pray, and learn together and in this I am the most thankful for.

I want to run for School Advisory Council because I want to help strengthen and support our children's education so that they can move towards a confident, faith-centered, and successful future; and to continue to build new relationships within the school, church, and community.

Dear Saint Pius X,

I am writing to express my interest in becoming a member of the school board at Saint Pius X. As a committed member of the catholic church and community, I am eager to contribute to the continued success and advancement of the school.

I have lived in Moberly for almost 24 years and have attended the church ever since. My two daughters (Taylor and Tara) have also completed their pre-school and grade school education at Saint Pius X. During that time, I became a member of the Knights of Columbus Council 995, I had volunteered at the Redono auction for many years, volunteered to coach 5th-8th grade basketball from 2012-2016, and participated as a member of Moberly Public Area School Foundation for 6 years. I believe these years of service have equipped me to uphold the values and teachings of the catholic church and am dedicated to fostering an environment that promotes spiritual growth, academic excellence, and the development of each student.

I believe that my personal experience with the school, church, and community qualifies me to make meaningful contributions to the school board. Additionally, my managerial experience in my professional work gives me the ability to collaborate effectively with diverse stakeholders. My strong communication skills also enable me to engage constructively with fellow board members, school administrators, faculty, parents, and students.

I am fully committed to supporting the mission and vision of Saint Pius X and ensuring that all decisions made by the school board align with the core principles of catholic education. I am eager to work collaboratively with the board to address current challenges, identify opportunities for growth and promote a culture of excellence within our school community.

In conclusion, I am enthusiastic about the opportunity to serve on the Saint Pius the Tenth school board and contribute to the continued success and vitality of our school. I am confident that my dedication, skills, and passion for catholic education makes me a strong candidate for this position.

Thank you for considering my nomination. I look forward to the possibility of working together to enrich the lives of all who are part of our school community.

Sincerely, Travis Ginter

Hello, I am Abby Meyer. I have been a parishioner of SPX since I was a small child. My husband, Chris and I were married at St Pius X 13 years ago. We are blessed with three children, two of which attend SPX. Huntley is a 7th grader and Elby a 2nd grader. Ripp, our youngest will be heading to ECC next year. I own my own business, Meyer Consultants, a bookkeeping and payroll company. One of my greatest passions is spending time outdoors with my family enjoying God's beauty. St. Pius X church and school has had a huge impact on me personally as well as my family. I feel it is very important to be active in our children's education and faith and I will be dedicated to ensuring the mission, values and teachings of St Pius X are held at the highest regard. I would appreciate your vote on the School Advisory Council and look forward to serving.

Thank you!
